

Associate Pastor

Description

Baranduda Community Church is a healthy and growing church in a developing town outside of Wodonga (NE Victoria). We are seeking an Associate Pastor who can join with us in equipping others to reach people with the gospel and grow followers of Jesus.

The Church

Baranduda Community Church was planted 20 years ago, and over the last decade has focussed its vision, purpose and ministry. We are growing in number, and are joyful in seeing God save and grow his people.

We are a community of ordinary people loved by an extraordinary God, who has given us a great message and mission. So we desire, pray, and organise ourselves to make disciples. Our hope is to honour and serve Jesus by being a bible-teaching, gospel-hearted, people-loving, prayerfully-dependant church.

We are part of the FIEC (Fellowship of Independent Evangelical Churches Australia fiec.org.au), and are connected with Geneva Push (genevapush.com) and the Reach Australia project (reachaustralia.com.au).

The area

Baranduda-Wodonga is one of the fastest growing regional areas in Victoria.¹ While Baranduda itself is now relatively small, it is part of a large regional population (>100,000 within 30 mins). It is located in a beautiful part of our country. The mix of city, rural, high-country, lakes & rivers and accessibility to major cities (Melbourne / Canberra 3hrs, Sydney 6hrs, + local airport) makes the area enjoyable to live and serve in.

Applications & Process

To find out more, enquiries can be made after April 26th. Please contact Chris Barnes at chris.barnes@barandudacommunitychurch.org or call on 0423180944

It is hoped to appoint a suitable applicant by the start of 2022 or earlier.

Our website is at www.barandudacommunitychurch.org
